

CONNECT TO LEARN

After-hours access to Te Huinga Wai The Knowledge and Learning Hub
Supporting local people to upskill and train

WHAT IS CONNECT TO LEARN?

Connect to Learn membership offers after-hours access to the Central Hawke's Bay District Libraries' learning space at Te Huinga Wai - The Knowledge and Learning Hub. This is a free membership add on for Central Hawke's Bay District Libraries Members.

Connect to Learn is aimed at learners over 16, in work or looking for work, to support them to upskill or enhance their career aspirations.

This pilot project to develop extended access to Te Huinga Wai is made possible through the Mayors Taskforce for Jobs - Initiative Fund, and aims to empower local learners to upskill and improve their employment opportunities and career pathways.
